TaleTailorAI

Feature 01

Generate Custom Story based
on Characters Introduced

Feature 02

Image Generation

Feature 03

Saving in format user would
like to share

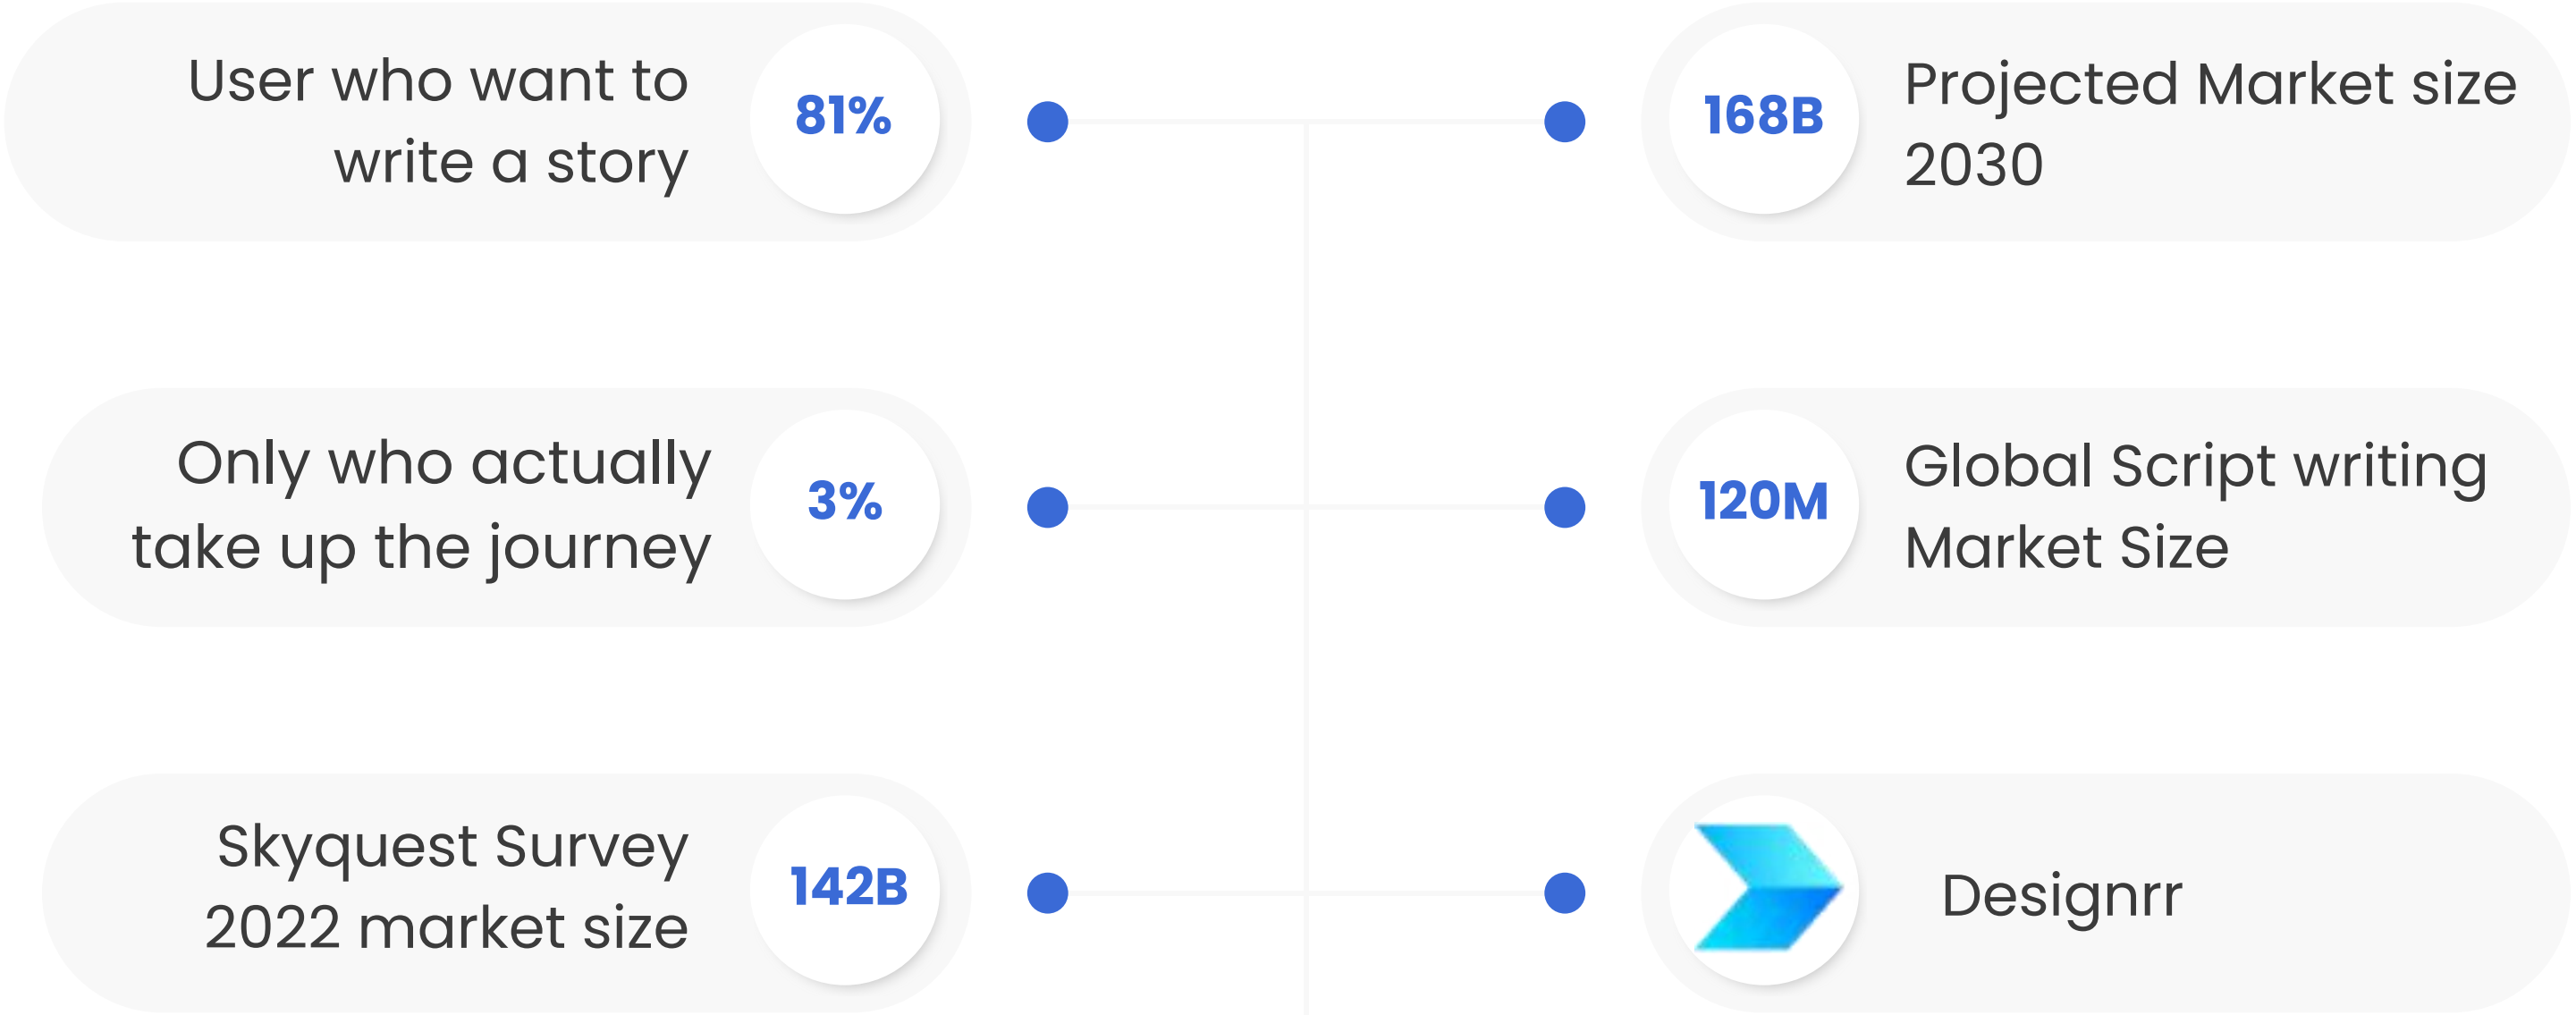

Motivation

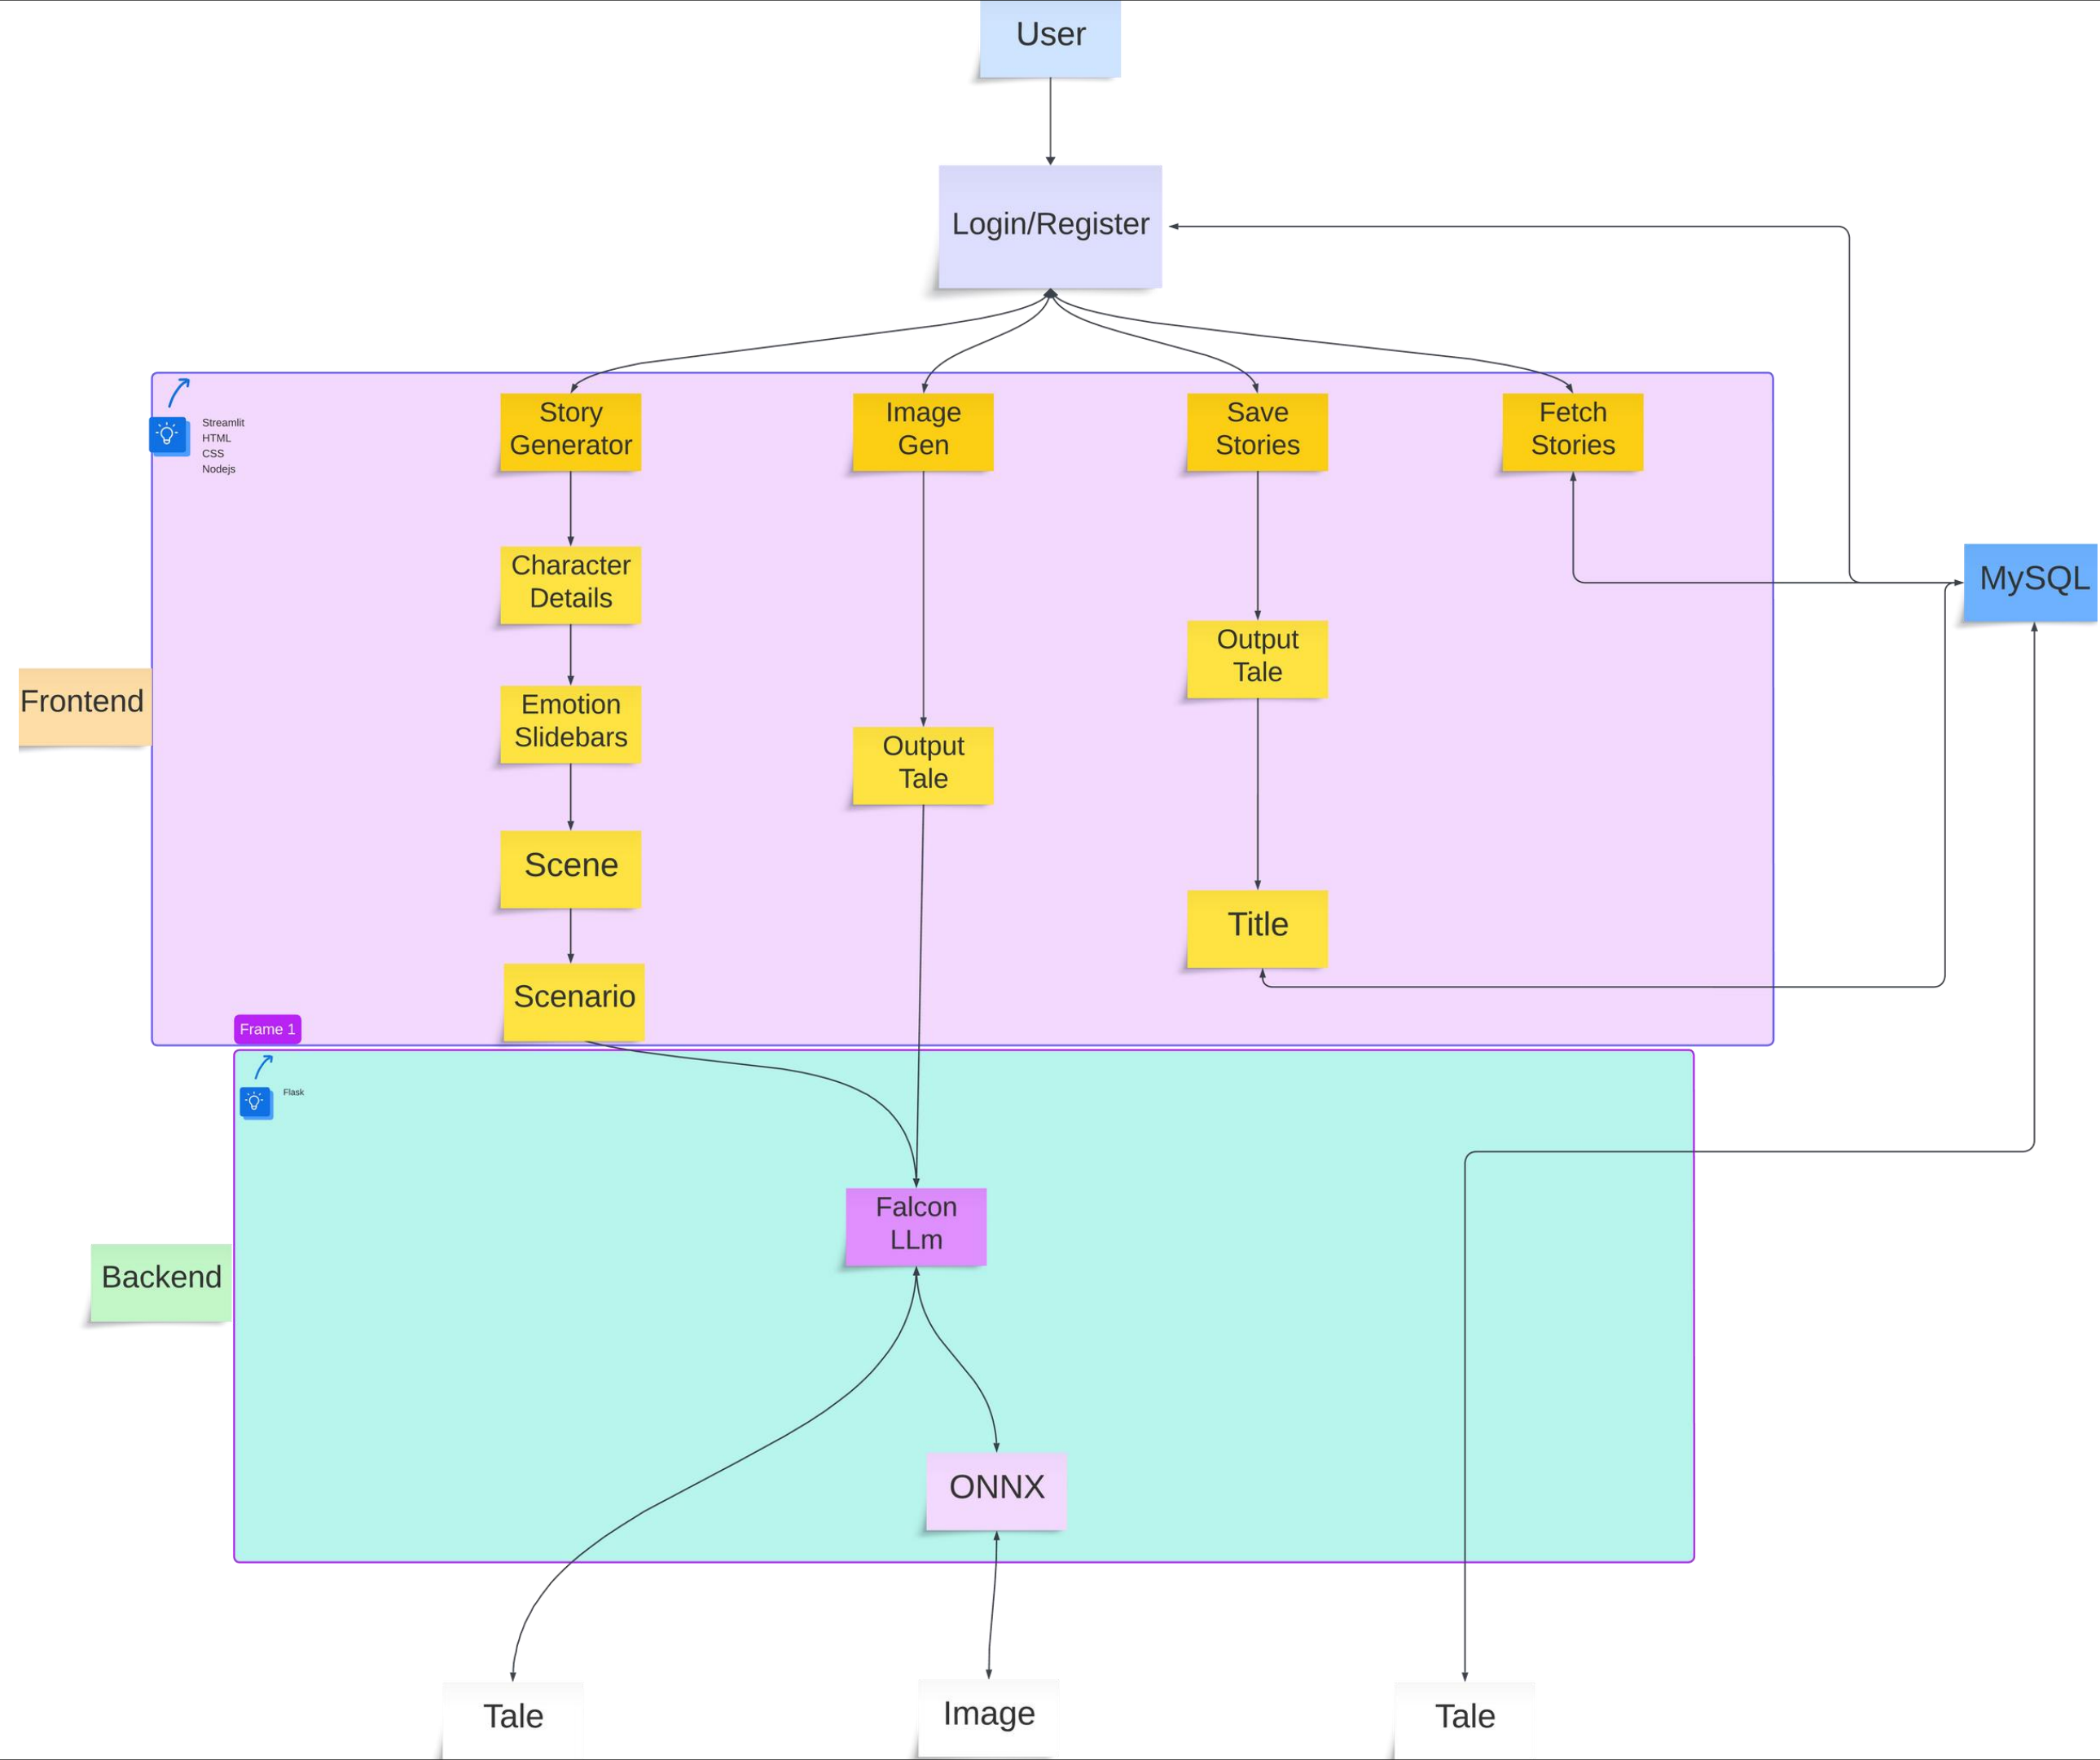

1 Writing Journey

2 Problems

3 Need for a Tool

Business Aspects

Thank You

Thank you team for giving the opportunity to take part in the hack with amazing supportive mentors. The journey is amazing as it allows creative ideas to flourish and become a builder and make the idea come to life.
